

2020 has been rough.

Help us brighten the last month of the year for Tucson's adults and families living with HIV!

Many of our CarePartners living with HIV and their families really look forward to the events that TIHAN traditionally co-hosts with SAAF (Southern Arizona AIDS Foundation) every holiday season.

This year, we will have no in-person gatherings, no dinner parties, no photos taken with holiday characters, and no dance floors – but with your help, we can still make the holidays as festive and special as ever.

We hope to provide holiday gifts to our CarePartners living with HIV, both as a token to help lift their spirits and as a reminder that the Tucson community cares about them.

We are asking for these donations:

★ **Gifts for adults, with a value of \$15-\$25**

~Gifts should be new and unused, and should be delivered to us unwrapped

★ **\$25 gift cards**

~Preferred stores are Fry's, Target, and Walmart

Your donations can be brought to the TIHAN office Monday through Friday, from 8:30am to 4:30pm.

Please plan to drop off all donations by Wednesday, November 25, 2020.
