Welcome, and thank you for joining us for our “Treasures for TIHAN” benefit event. This is the most important day of the year for TIHAN and those we serve, because you—along with hundreds of other caring individuals and businesses—are coming together to raise funds to make a difference to support people living with HIV.

Your support of this year’s benefit is vital to providing hope and healing, education and awareness, care and compassion to those we serve. And because of the urgency to help vulnerable people during this pandemic, your gifts today mean more than ever before.

Through your bids, your purchases, your donations, you are partnering with us, giving life-affirming support to people in need during these challenging times. Together, we create systems of support.

In addition to bidding during our livestreaming event and via our online auction through Monday evening, remember that you can make a donation in support of TIHAN’s programs and invest in our mission. We’ll have a “paddle raise” so you can show your support and make a gift. Or you can make an online gift to support people in need. Please know that your donation will touch the hearts of the people TIHAN helps right here in our community.

Please join us in giving thanks to our event sponsors, volunteers, and auction donors for generously providing wonderful treasures. Many of you give in memory of loved ones you have lost to HIV/AIDS, and in honor of those we love who live with this disease. Our hearts are joined together as we remember why we are here, and also remember all those who have gone before us.

I want to thank our team of volunteers who have been working to create a festive event, to gather treasures from caring donors, and to ensure that you are here with us to support TIHAN’s programs and people living with HIV.

With love and gratitude for the impact you make through your support,

Scott Blades
Executive Director

Please Support Local Businesses

Local businesses have been at the heart of TIHAN’s support over the years, and many have struggled or closed during the pandemic. Please do what you can to support the local restaurants, artists, and businesses that keep us all going.

Eat at locally-owned restaurants, shop at locally-owned stores, order from them, buy gift certificates from them, support local businesses in whatever ways you can.

Thank you!

“TIHAN has been really great for me. The CarePackages, the gift cards to Fry’s for food, the Poz Café — they have really helped me a lot. The Poz Café in person was very fun, when we could interact with everyone, meet new people, and have a great time together. It helped distract from the stresses of life and connect with friends who know what I’m going through. TIHAN is just very welcoming and helpful to people, especially people who are newly diagnosed and afraid.”

YOUR IMPACT...

Because of donors like you, we've provided over 22,000 CarePackages to people living with HIV, and our Poz Cafe lunch program has served more than 32,000 meals!

Billy Gilman

Billy Gilman burst onto the national stage in 2000 releasing the hit single “One Voice.” His debut album was certified double platinum in the United States, and he was included in the Guinness Book of World Records for being the youngest singer to ever reach #1 on the Billboard Top Country Album charts. He has sold ten million albums worldwide and garnered awards and nods from The Grammy’s, the Academy of Country Music, the Country Music Association, Billboard Magazine, and the American Music Association.

He was 11 years old at the time of his debut hit single “One Voice” and became the youngest artist to ever have a top 40 single on the country chart. His debut album also featured the hit single “Oklahoma,” a song about a young boy being put into the foster care system and being shuffled between foster homes before being reunited with his birth father in Oklahoma.

In 2014, Billy came out as gay. In 2016, he competed on the TV show The Voice, and was the runner-up on Season 11, where he performed hits by Adele (“When We Were Young”), Rachel Platten (“Fight Song”), and more.

In addition to performing and recording new albums, Billy does charity work, including for the Muscular Dystrophy Association (National Youth Chairman for six terms) and Soles4Souls, a shoe charity with proceeds going to purchase shoes for needy children worldwide. He is also a passionate spokesperson about mental health, gun violence, and suicide—topics in his hit single “One Voice.”

His tours these days includes performances at Pride events, and he is excited to be joining us for Treasures for TIHAN!

CELEBRATING TIHAN!

As TIHAN supporters we encourage you to continue to support TIHAN throughout the year.

Volunteering your time to meet a wide range of tasks and needs might be the most valuable commodity you can provide.

Each December there is a holiday dinner party jointly hosted with SAAF. Donating gifts of household goods and small appliances, as well as gift cards, will help assure that every client receives something useful at holiday time.

Finally, here’s a big shout out of thanks to ALL of the hardworking staff providers at El Rio Special Immunology Associates, Banner-University of Arizona Medical Center and their clinics, the Southern Arizona Veterans Administration Health Care System and all the local hospitals, clinics and independent medical service providers who care for people with HIV/AIDS.

“Small acts of kindness really do make a difference. Things like the shoes and crockpot and clothes, the CarePackages, the $25 for food each month, it really does help. I’m getting back on my feet again, and support like TIHAN is providing makes me feel like a person again. Because I had lost everything and had no money, I was feeling like a failure. But now, I am feeling like me again, and I’m positive about the future.”

YOUR SUPPORT...
Most of the people living with HIV who receive support services from TIHAN are people whose household income is less than 150% of the federal poverty level. Because of this, the State of Arizona has designated TIHAN as a Qualifying Charitable Organization, allowing our donors to take advantage of an Arizona State tax credit, reducing your personal income taxes by up to $400/individual or $800/couple. TIHAN's QCO Code is 20359, which you should include when you file your state tax return and claim your tax credit from the state of Arizona.
